. This is a Writ petition against concurrent findings of the Deputy Registrar and Division Joint Registrar, directing that the application of Respondent No.3 for membership should be allowed. It is contended that such an order could not have been passed because application for membership was still pending. It is found that the order passed by the Deputy Registrar was of the year 1997. The grievance is that certain documents were not furnished.

No details are however, forthcoming. It was open for the Society to call for any documents if necessary. In my view, there is no substance in the petition. Hence, petition is dismissed.
